Coronavirus Disease 2019 (COVID-19):
COVID-19 Provider Information Tool

ODP Announcement 20-024

AUDIENCE:

>All Qualified ODP Service Providers
>Supports Coordination Organizations
>Administrative Entities

PURPOSE:

The purpose of this communication is to announce the implementation of an on-line resource for providers (including SCOs) providing ODP services within the ID/A waivers and the Adult Autism Waiver (AAW) to capture important information related to COVID-19 planning.

DISCUSSION:

The Office of Developmental Programs (ODP) is launching an on-line **COVID-19 Provider Information Tool** designed to gather service specific information related to the impact of this emergency on providers. Specifically, the purpose of the tool is to:

- collect information about potential risk to service(s) and service closures that will help guide future decision making.
- create a supplemental record for the purposes of retroactive approvals, documentation and payments.

Link to the online tool - https://www.questionpro.com/t/AJrvGZgvm4

The tool was designed to take approximately 7-10 minutes to complete. Once complete, an email will also be sent to the provider for your record. Providers can make multiple submissions to the tool as emergency plans change and new situations arise.

Supporting Pennsylvanians with developmental disabilities and their families to achieve greater independence, choice, and opportunity in their lives.

ODP will be reviewing information collected in real-time and reporting daily to regional offices, while working with Administrative Entities to mitigate risks and support providers.
