Elements to be assessed	Assessment	Notes/Areas for Improvement
Agency restricts all visitation except certain compassionate care situations, such as end of life situations		

Readiness and Response

- Communication 20-037 - Immediate reporting of COVID-19 in Incident Management System
- The requirement to report incidents of COVID-19 diagnosis extends to all individuals, regardless of service provision at the time of the incident.
- Continue to report changes in service provision through the Provider COVID-19 Information Survey Tool <https://www.questionpro.com/t/AJrvGZgvm4>
- ODP will publish additional response tools
 - ODP/AE follow-up positive cases
 - Guidance for community homes

Additional Retainers

- Conducting analysis on Supported Employment, Small Group Employment, In-Home and Community, Companion and Transportation Trip
- Providers should note that Congress has appropriated significant funds to make up for lost provider revenue.
- **Strongly encourage providers to examine the various resources that are available for businesses impacted by COVID-19.**
 - U.S. Small Business Administration <https://covid19relief.sba.gov/#/>,
 - Pennsylvania Industrial Development Authority's (PIDA) Small Business First Fund, the COVID-19 Working Capital Access Program (CWCA) <https://dced.pa.gov/>

Health Care Quality Units

The Health Care Quality Units (HCQUs) work to support and improve the health information and knowledge for the intellectual disabilities community service system by building capacity and competency within the physical and behavioral health care systems as well as the stakeholders of the ID system.

There are eight HCQUs across Pennsylvania. See Map:
