6TH ANNUAL

**LEGISLATIVE APPRECIATION &
INTELLECTUAL DISABILITY
AWARENESS FORUM**

Please join our 6th annual legislative gathering where we recognize our lawmakers and highlight the important work of our members serving those with intellectual disabilities & autism (ID/A). This year's event will focus on collaborating with our legislators to meet the critical staffing needs to serve Pennsylvania's ID/A population.

This year's event will mark our return to in-person meetings for a limited number of guests at the Regional Learning Alliance in Cranberry Township. A remote option will be available for everyone wishing to attend or participate.

Please join us as we raise awareness, explore solutions, and work together to benefit and celebrate the ID/A community.
