

# Supports Coordination Return to In-Person Individual Monitoring Guidance for SCOs - Q&A Document Announcement 22-049

## **AUDIENCE:**

Supports Coordination Organizations,  
All interested audiences

## **PURPOSE:**

To provide guidance to Supports Coordination Organizations (SCOs) for a return to in-person individual monitoring and provide Questions and Answers from the April 5, 2022 webinar.

## **DISCUSSION:**

ODP received questions during the April 5, 2022 webinar in regards to a return to in-person individual monitoring for SCOs. The attached document sorts all questions received from the webinar and answers them under the following categories:

- Supports Coordination Return to In-Person Individual Monitoring Guidance for SCOs
- Individuals who live alone that have not had an in-person monitoring during this FY
- Newly enrolled individuals who have never had an in-person monitoring visit with their assigned SC
- Individuals supported in a licensed residential setting that is currently under licensing sanctions or license revocation

- Other potential priority groups
- COVID-19 Related Questions
- General Returning to In-Person Monitoring Questions

Please review [ODP Announcement 22-035: Update on ODP's Expectation for Resuming In-Person Individual Monitoring Conducted by Supports Coordinators](#) for further information regarding in-person individual monitoring.
