### PURPOSE:

ODP is launching resource pages associated with MyODP called [home.MyODP.org](https://home.MyODP.org). In the near future, all resources currently on MyODP.org will be transitioned over to [home.MyODP.org](https://home.MyODP.org). At this time we are requesting feedback of the new pages, which may be sent to [ra-PWODP\\_Outreach@pa.gov](mailto:ra-PWODP_Outreach@pa.gov).

### DISCUSSION:

#### What's New!?

All pages in [home.MyODP.org](https://home.MyODP.org) are now publicly accessible without login. You can click on the Learning tab to go to MyODP.org for all trainings. Resources will still be available on MyODP.org until [home.MyODP.org](https://home.MyODP.org) is finalized.

MyODP News Online has been revamped. View latest stories categorized by Policy, COVID-19, Events, and Tools & Guidance on the [MyODP News Online main page](#).

The search feature on [home.MyODP.org](https://home.MyODP.org) will now also find results in AidinPA.org and PAautism.org.

More improvements coming; including improved navigation, further integration with AidinPA and PAautism, and a new communication database. Please provide feedback to [ra-PWODP\\_Outreach@pa.gov](mailto:ra-PWODP_Outreach@pa.gov) as we continue to work on the new pages.
