

Agency with Choice (AWC) Financial Management Service (FMS) Organization Listing

ODP Announcement 22-092

AUDIENCE:

Individuals and families currently self-directing services or interested in self-directing services through the AWC FMS model, Administrative Entities (AEs), Supports Coordination Organizations (SCOs), and AWC FMS organizations.

PURPOSE:

To provide a list of current AWC FMS organizations that are available to support participants and surrogates who have chosen to self-direct some or all of their Participant Directed Services (PDS) using the AWC FMS model and are in the Consolidated, Community Living, and Person/Family Directed Support (P/FDS) waiver.

DISCUSSION:

In order to ensure that AWC FMS services are available statewide, ODP requires that each AE have at least one qualified AWC FMS organization to provide AWC FMS. The table at the end of this document provides a complete listing of the AWC FMS organizations and the area in which they provide services across the state. If there are any changes to the information contained in the table, the AWC or AE should notify the regional FMS lead.

NOTE: These AWC FMS organizations are not to be confused with the statewide Vendor Fiscal/Employer Agent (VF/EA) FMS organization. Currently, ODP contracts with Palco Inc. to provide FMS to waiver participants who elect to use the VF/EA FMS model.
